Top 3 Tips To Your Best Results

1. **Be Consistent**– Take your products daily and drink plenty of water (at least 64 oz). Consistency and hydration drive results.
2. **Support the Process**– Reduce sugar and processed foods. If you feel mild fatigue or headaches, it's often your body detoxing and beginning to heal.
3. **Be Patient**– Transformation takes time. Stay the course—90 days from now, you'll be amazed by your progress.
